Summary

- Computer Science Engineering student with experience in building **full-stack web applications** using **React.js** and **ASP.NET Core**. Skilled in REST API development, authentication, and scalable backend systems. Passionate about solving real-world problems and improving system performance.

Technical Skills

- Languages: C, Python, Java, JavaScript
- Frontend: React.js, HTML, CSS, Bootstrap
- Backend: ASP.NET Core, Node.js, Express.js,
- Databases: MySQL, MongoDB
- Tools: Git, GitHub, Postman
- Concepts: REST APIs, Authentication, Responsive Design

Interests

- Full stack Web-Development, Machine learning, Deep Learning, Artificial Intelligence,.

Projects

Contract Management System:

- Built role-based system using ASP.NET Core and React
- Implemented JWT authentication and role-based access (Admin, SuperAdmin)
- Designed REST APIs for contracts, users, and permissions
- Integrated feedback and payment modules
- Improved workflow efficiency

Mess Management System:

- Developed full-stack system using React.js and ASP.NET Core with SQL Server
- Built REST APIs for student registration and billing
- Implemented authentication and role-based access control
- Designed responsive UI
- Optimized database queries for performance

Student Performance Prediction:

- Built ML model using Python and Scikit-learn
- Performed preprocessing and feature selection
- Improved prediction accuracy

Work Experience

Full Stack Developer Intern – Skyttus Pvt. Ltd.:

- Developed full-stack web applications using React.js and REST APIs.
- Implemented authentication and CRUD operations for dynamic data handling.
- Improved application performance and UI responsiveness.
- Collaborated using Git/GitHub for version control in a team environment.

Web Development Intern – Yanolja Cloud Solution:

- Built responsive web pages using HTML, CSS, and JavaScript.
- Assisted in UI development and debugging frontend issues.
- Gained hands-on experience in modern web design practices.

Education

- **Bachelor of Engineering(B.E)**

Computer Science and Engineering
S. N. Patel Institute of Technology (GTU)

Graduation Year: 2026

CGPA – 8.5

- **Higher Secondary Education & Secondary Education**

(2018-2022)

MG School, Pratapnagar | 12th science

Percentage : 73%
